

MORE THAN A FOOTNOTE

What do women with disabilities and Deaf women in Quebec need?

- * Support programs for women with disabilities and Deaf women whose *funding is recurring*;
- * Recognition of sign language as an official language;
- * Governmental strategies and action plans on violence that clearly mention women with disabilities and Deaf women;
- * Continuous training and awareness programs for front-line workers on disability and universal accessibility;
- * Reviewed standards for paratransit to ensure security and confidentiality as well as emergency services;
- * Equitable access to education programs on sexuality
